ONE DOLLAR.

The public may rest assured that the character of the Medicine, its strength, and curative properties with remains useful and the same care will be bestowed in preparing it as heretofore.

As this medicine, under its reduced price, will be purchased by those who have not hitherto made themselves acquainted with its victure, the proprisor would beg to intimate that his article is not to be classed with the vast amount of "Remedics of the day." It claims for itself a greater Asaling power, in all discusse, then any other preparation note before the world; and has sustained itself for eight years by its superior medical virtues, and, until this reduction, commanded double the price of any other article in this line.

Notice Paratroniantly, upon the

Blood, Liver, Kidneys, Lunge, and all other organs, upon the proper action of which H's and health depend. This medicine has a justly high repute as a romedy for Dropsy and Gravel, and all diseases of that nature. It may be relied upon when the intelligent physician has abandoned his patient,—and for these distressing diseases, more especially Daoray, the proprietor would carnessly and honeadly recommend it. At its present price it is easily obtained by all, and the trial will prove the article to be the
